### **PROFIT WARNING**

In accordance with Part XIVA of the SFO concerning disclosure of inside information and Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange (the “**Listing Rules**”), the board (“**Board**”) of directors of China Investment Fund International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform shareholders and potential investors that based on the Group’s management accounts, the Company expects to record loss attributable to the owners of the Company for the six-month period ended 30 June 2017 in the amount of approximately HK\$66 million as compared to the loss of approximately HK\$3 million recorded for the corresponding period in 2016. The increase in the expected loss for the interim six-month period was mainly attributable to the increase in unrealised loss arising on revaluation of financial assets at fair value through profit or loss. The Board is of the view that the expected loss will not have any immediate adverse impact on the cash flow and the business operation of the Group.
